Beginner
Child to Small Adult (up to 75 kg)

Recommended for use on:

Flat water only
Bays, estuaries, rivers & lakes - close to shore

Ideal to use for:

A first kayak for novice paddlers & smaller children
Family fun
General purpose paddling
Primary Schools & Camps
Hire fleets

Paddling Characteristics:

Extremely stable
Easy to paddle
Great straight line paddling courtesy of an in-built keel
Excellent turning ability

Why would you choose a Funyak?

Light weight - easy for smaller people to lift & carry
Very forgiving to novice paddlers
Easy to paddle in a straight line
No moving parts for kids to break
Small kayak with "real kayak" features

Standard Features:

Wide, flat hull for exceptional stability
Integrated keel for easy straight line paddling
Soft chines make turning easy
Sides with high water clearance
Tapered bow cuts the water with ease & lifts over small chop
Comfortable, contoured, full pan seat
Supportive, easy to adjust backrest
Large, easy to access storage space behind the seat
Urethane buoyancy securely held in each end
Large cockpit for easy escape in the unlikely event of a capsize
Generous combing for secure spraydeck attachment
Aluminium support pipe under the seat
Moulded hand toggles for comfortable & easy 2 person carrying

Options/Upgrades:

3 litre plastic storage pod with push-on hatch
"Peg & Rail" footrest assembly is available on request
Colour Options: Wide variety of single colours
Wide variety of 2 colour speckled

Accessories that will add to the safety & enjoyment of your Funyak kayak:

Powerblade double paddle with aluminium shaft
